LB 964, 965, 965A

PRESIDENT: All right, we have had so many changes that the Clerk is going to have to have a verification so proceed with the verification vote.

CLERK: Read verification vote. 30 ayes, 17 nays, 1 excused and not voting, 1 present and not voting, Mr. President.

PRESIDENT: LB 964 passes. We will now proceed with the Final Reading of LB 965 and the Chair is going to urge that all members return to your desks and stay there so that we can get these few bills we have left passed or killed, which ever way you want to do it, get some action on them and quit moving around and leaving. So let's proceed then, Mr. Clerk, with the Final Reading of LB 965.

CLERK: Mr. President, Senator DeCamp moves to lay over LB 965 and 965A.

PRESIDENT: Motion to what...Senator DeCamp.

SENATOR DeCAMP: Mr. President, members of the Legislature, Mr. President, 965 and 965A are, as you well know, the corrections to the litter bill. The last thing in the world I want to do is not be able to address this this year. However, there are some errors in 965 and 965A and errors compounded upon other errors that make the bill impossible to pass at this time. I would ask you to just pass over the bill. Ask unanimous consent to pass over the bills.. We will talk about it next year again, maybe.
